Discussed upcoming events:

March 31st – Kindergarten Treasure Hunt Night

April 9th – Pine Forest Dance – PTO will put up posters and advertise it in the bluenote

May 12th – Science Night – Colleen and Betsy will organize the Science part of the night. The PTO will organize the food. Decided to talk to Jenny and Jessica about how they organized Math Night last year.

June – Multi-Cultural Dinner – Need to talk to Al to see if he will organize the food again. Hans will ask the “Bake Sale Hotties” to play at the event.

“Way to go Week” is May 16th to May 20th. The week is to promote walking, biking, running, or scootering to school. There will be a different theme for each day of the week. There will be prizes each day for competitions. Renee Allen will help secure prizes.

On May 18th there will be a school assembly with a theme of “Earth Day.”

The Book Fair will be that week as well.

We will try to get Champ to come one day that week.

Friday, June 17th is the tentative last day of school

Discussed the need for the Library Fund. Champlain’s non-fiction selection is out of date. We need to get donations – maybe give a theme for fiction donations. Need volunteers to help sort books.

The next PTO meeting will be Tuesday, April 12, 2011 at 6:30pm at Champlain Elementary School.
