

# CHAMPLAIN PTO

## PTO Meeting Minutes Dec. 12, 2019

### Notes for Principal Joe Resteghini

- **Run/Hide/Fight follow up:** Can parents be informed after drills take place so they can have conversations with their children about it? Would it be possible to share talking points/what teachers are telling kids/ideas about how to have age appropriate conversations about this topic?
- **Ticketing during drop off:** Did you hear about people getting ticketed during drop off this week...? Anticipating high traffic for the Friday Singalong, can you call police dept ahead of time and let them know about the event? Might be worth considering having someone monitoring the parking lot to avoid parking in fire lane?
- **Communications:** Blue Note... encourage teachers to get it/distribute it
