Public Art Proposal

Chris Sharp proposed an art installation on the Champlain school grounds. The sculpture, which is a group of pencils, would be 16-feet tall—about the same size as the Whale Tails in South Burlington. The school board would need to sign off on project, and Marty Spaulding of BSD would need to be involved. Jessica wants to take time to consider costs, stakeholders, etc. The board will do more research and take the proposal up again.

Trivia Night Cancelled

The Board agreed to cancel Trivia Night for March in response to the COVID-19 pandemic.

School Budget Passed

The BSD 2020-2021 budget passed on Town Meeting Day with 72% of Votes

Superintendent Search

The Superintendent search is down to three candidates: Dr. Peter Burrows, Thomas Flanagan, and Erin Maguire. The board will choose a new candidate within the next couple of weeks.
