

CHAMPLAIN PTO

Dear Neighborhood Business,

Every year, the Champlain Elementary School yearbook documents the joy, learning and exploration happening each day at the school. Although schools are looking a little different right now because of COVID-19, we want the yearbook to remain a constant for our students, and ensure we capture and celebrate the abundance of resilience shown by our entire school community this year!

Through community sponsorship, we ensure that all Champlain students take home a yearbook regardless of their ability to pay, as well as highlight our partners who take part in strengthening our community. This year, we are offering sponsorship opportunities on a sliding scale, with two tax-deductible choices:

- ✓ **Pine Street Pioneer** **\$50-\$99 – places your logo on the sponsorship page**
- ✓ **Champlain Champ** **\$100 and above – places your logo on the sponsorship page AND on a class page of your choice (“Adopt a Classroom”)**

For questions, or to submit your logo (format should be .JPG, .JPEG, or .PNG), please email me at melamede@gmail.com. Checks can be made out to Champlain Elementary PTO, and may be sent to 800 Pine St., Burlington, VT 05401, or donations can be sent via PayPal to Champlain School PTO. A tax-deductible receipt is available for your donation.

A yearbook provides children and families with memories for years to come. The Champlain school community hopes you will be a part of it and would be very grateful for your support!

Best,

Vanessa Berman

Champlain PTO Vice-President
